A. Rule as to Use of Form 10-Q.

1. Form 10-Q shall be used for quarterly reports under Section 13 or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)), filed pursuant to Rule 13a-13 (17 CFR 240.13a-13) or Rule 15d-13 (17 CFR 240.15d-13). A quarterly report on this form pursuant to Rule 13a-13 or Rule 15d-13 shall be filed within the following period after the end of each of the first three fiscal quarters of each fiscal year, but no report need be filed for the fourth quarter of any fiscal year:
 - a. 40 days after the end of the fiscal quarter for large accelerated filers and accelerated filers (as defined in 17 CFR § 240.12b-2); and
 - b. 45 days after the end of the fiscal quarter for all other registrants.

B. Application of General Rules and Regulations.

1. The General Rules and Regulations under the Act contain certain general requirements which are applicable to reports on any form. These general requirements should be carefully read and observed in the preparation and filing of reports on this form.
2. Particular attention is directed to Regulation 12B which contains general requirements regarding matters such as the kind and size of paper to be used, the legibility of the report, the information to be given whenever the title of securities is required to be stated, and the filing of the report. The definitions contained in Rule 12b-2 (17 CFR 240.12b-2) should be especially noted. See also Regulations 13A and 15D.

C. Preparation of Report.

1. This is not a blank form to be filled in. It is a guide copy to be used in preparing the report in accordance with Rules 12b-11 (17 CFR 240.12b-11) and 12b-12 (17 CFR 240.12b-12). The Commission does not furnish blank copies of this form to be filled in for filing.
2. These general instructions are not to be filed with the report. The instructions to the various captions of the form are also to be omitted from the report as filed.

D. Incorporation by Reference.

1. If the registrant makes available to its stockholders or otherwise publishes, within the period prescribed for filing the report, a document or statement containing information meeting some or all of the requirements of Part I of this form, the information called for may be incorporated by reference from such published document or statement, in answer or partial answer to any item or items of Part I of this form, provided copies thereof are filed as an exhibit to Part I of the report on this form.
2. Other information may be incorporated by reference in answer or partial answer to any item or items of Part II of this form in accordance with the provisions of Rule 12b-23 (17 CFR 240.12b-23).
3. If any information required by Part I or Part II is incorporated by reference into an electronic format document from the quarterly report to security holders as provided in General Instruction D, any portion of the quarterly report to security holders incorporated by reference shall be filed as an exhibit in electronic format, as required by Item 601(b)(13) of Regulation S-K.

E. Integrated Reports to Security Holders.

Quarterly reports to security holders may be combined with the required information of Form 10-Q and will be suitable for filing with the Commission if the following conditions are satisfied:

1. The combined report contains full and complete answers to all items required by Part I of this form. When responses to a certain item of required disclosure are separated within the combined report, an appropriate cross-reference should be made.
2. If not included in the combined report, the cover page, appropriate responses to Part II, and the required signatures shall be included in the Form 10-Q. Additionally, as appropriate, a cross-reference sheet should be filed indicating the location of information required by the items of the form.
3. If an electronic filer files any portion of a quarterly report to security holders in combination with the required information of Form 10-Q, as provided in this instruction, only such portions filed in satisfaction of the Form 10-Q requirements shall be filed in electronic format.

F. Filed Status of Information Presented.

1. Pursuant to Rule 13a-13(d) and Rule 15d-13(d), the information presented in satisfaction of the requirements of Items 1, 2 and 3 of Part I of this form, whether included directly in a report on this form, incorporated therein by reference from a report, document or statement filed as an exhibit to Part I of this form pursuant to Instruction D(1) above, included in an integrated report pursuant to Instruction E above, or contained in a statement regarding computation of per share earnings or a letter regarding a change in accounting principles filed as an exhibit to Part I pursuant to Item 601 of Regulation S-K (§ 229.601 of this chapter), except as provided by Instruction F(2) below, shall not be deemed filed for the purpose of Section 18 of the Act or otherwise subject to the liabilities of that section of the Act but shall be subject to the other provisions of the Act.
2. Information presented in satisfaction of the requirements of this form other than those of Items 1, 2 and 3 of Part I shall be deemed filed for the purpose of Section 18 of the Act; except that, where information presented in response to Item 1 or 2 of Part I (or as an exhibit thereto) is also used to satisfy Part II requirements through incorporation by reference, only that portion of Part I (or exhibit thereto) consisting of the information required by Part II shall be deemed so filed.

G. Signature and Filing of Report.

If the report is filed in paper pursuant to a hardship exemption from electronic filing (see Item 201 et seq. of Regulation S-T (17 CFR 232.201 et seq.)), three complete copies of the report, including any financial statements, exhibits or other papers or documents filed as a part thereof, and five additional copies which need not include exhibits must be filed with the Commission. At least one complete copy of the report, including any financial statements, exhibits or other papers or documents filed as a part thereof, must be filed with each exchange on which any class of securities of the registrant is registered. At least one complete copy of the report filed with the Commission and one such copy filed with each exchange must be manually signed on the registrant's behalf by a duly authorized officer of the registrant and by the principal financial or chief accounting officer of the registrant. (See Rule 12b-11(d) (17 CFR 240.12b-11(d).) Copies not manually signed must bear typed or printed signatures. In the case where the principal executive officer, principal financial officer or chief accounting officer is also duly authorized to sign on behalf of the registrant, one signature is acceptable provided that the registrant clearly indicates the dual responsibilities of the signatory.

H. Omission of Information by Certain Wholly-Owned Subsidiaries.

If on the date of the filing of its report on Form 10-Q, the registrant meets the conditions specified in paragraph (1) below, then such registrant may omit the information called for in the items specified in paragraph (2) below.

1. Conditions for availability of the relief specified in paragraph (2) below:
 - a. All of the registrant's equity securities are owned, either directly or indirectly, by a single person which is a reporting company under the Act and which has filed all the material required to be filed pursuant to Section 13, 14 or 15(d) thereof, as applicable;
 - b. During the preceding thirty-six calendar months and any subsequent period of days, there has not been any material default in the payment of principal, interest, a sinking or purchase fund installment, or any other material default not cured within thirty days, with respect to any indebtedness of the registrant or its subsidiaries, and there has not been any material default in the payment of rentals under material long-term leases; and
 - c. There is prominently set forth, on the cover page of the Form 10-Q, a statement that the registrant meets the conditions set forth in General Instruction H(1)(a) and (b) of Form 10-Q and is therefore filing this form with the reduced disclosure format.
2. Registrants meeting the conditions specified in paragraph (1) above are entitled to the following relief:
 - a. Such registrants may omit the information called for by Item 2 of Part I, Management's Discussion and Analysis of Financial Condition and Results of Operations, provided that the registrant includes in the Form 10-Q a management's narrative analysis of the results of operations explaining the reasons for material changes in the amount of revenue and expense items between the most recent fiscal year-to-date period presented and the corresponding year-to-date period in the preceding fiscal year. Explanations of material changes should include, but not be limited to, changes in the various elements which determine revenue and expense levels such as unit sales volume, prices charged and paid, production levels, production cost variances, labor costs and discretionary spending programs. In addition, the analysis should include an explanation of the effect of any changes in accounting principles and practices or method of application that have a material effect on net income as reported.
 - b. Such registrants may omit the information called for in the following Part II Items: Item 2, Changes in Securities; Item 3, Defaults Upon Senior Securities.
 - c. Such registrants may omit the information called for by Item 3 of Part I, Quantitative and Qualitative Disclosures About Market Risk.
